Event/Issue	W1	W2	W3	W4	W5	W6
PLANNING AND ANALYSIS						
Ideas Definition						
System Definition						
Requirement Gathering						
SYSTEM DESIGN						
Create Use Case Diagram						
Create Activity Diagram						
Create Class Diagram and Database Design						
Create Navigation Structure						
UI/UX DESIGN						
Create Application Wireframe						
Create Website Wireframe						
Create Application Mockup						
Create Website Mockup						
Create resources and assets for application						
IMPLEMENTATION						
Develop Website						
Create PHP Web Services						
Develop Android Application						
Create Android XML Layout						
DATA MANAGEMENT						
ATM Data Gathering						
Gas Station Data Gathering						
Repair Shop Data Gathering						
ATM Data Input						
Gas Station Data Input						
Repair Shop Data Input						
TESTING						
Unit Testing						
White Box Testing						
Black Box Testing						
System Testing						
Integration Testing						

DOCUMENTATION						
Create Software Progam Specification						
Create Master Test Plan						
Create Test Scenario						
Create Software Test Report
